CD

Yes, it is circa 1909. Brief description below from our Archives:

Diamond necklace featuring seventeen larger diamonds in graduating sizes framed by a pave-set scroll design. Suspended from the center diamond is a large detachable teardrop-shaped pendant featuring a large center diamond.

No image of the Emma necklace as its archival.

We have the attached product images for Sienna. The black lacquer ring (says no image below) I only have group shot of – she’s wearing the one on the left side.
